

The Reflector.

THURSDAY, APRIL 20, 1893.

RECENT REFLECTIONS.

—H. D. Roll, well known in this county, died Sunday at his home in Cincinnati.

—Rev. A. S. Dechant will have an article, "A Plea for Byron," in the forthcoming number of the *Agora*.

—Dan Hart was liberated from jail today on his paying half his fine, the remainder to be paid in ninety days.

—It is reported that C. C. Bittling, Jr., formerly of this city has secured his divorce in Dakota and was married four days after to the lady of his second choice.

—W. N. Lee, charged with embezzlement by the Singer Sewing Machine company, waived examination today and was remanded to jail to await trial in the district court.

—The jointists being let out of jail by the commissioners have ninety days to settle up their fines and costs. If it is not done at the end of that time they go into durance vile.

—J. P. Quinn is the first candidate to file his election expense bill with the county clerk. The campaign cost him \$7, of which \$5 was for announcements in the papers and \$2 for printing tickets.

—The Enterprise Journal announces a new manager in the person of Wilbur D. Harger, formerly of Abilene. He will bear the griefs of a newspaper office easily, having had plenty of experience on the *REFLECTOR*.

"Brace up" is a tantalizing admonition to those who feel all tired out, without appetite and discouraged. But the way in which Hood's Sarsaparilla builds up the tired frame and gives a good appetite, is wonderful.

Sunday School Workers.

Special REFLECTOR Correspondence.

HAYES TWP., April 12.—The Sunday school convention held at Zion M. E. church, Fragnant Hill township, last Sunday was called to order promptly by the president, Jesse Engle. After devotional exercises D. A. Holmes gave a talk on "A Few Things upon which the Success of a Sunday School Depends." Mr. Holmes said part of the success of a Sunday school depended upon each member eagerly trying to find out what was the matter with himself and then to make earnest strides to remedy the same. Mr. Ballis being absent others discussed the subject. County Worker C. D. Wood's paper upon "Sunday School Missionary Work" was very good and showed much preparation. J. G. Bollinger handled the subject, "Possibilities of a Sunday School," with great ease and made some very interesting points. Miss Frasier being absent "How to Study and Teach the Lesson" was miscellaneous discussed. County President J. H. Engle urged all to attend the county convention at Enterprise on the 12th and 13th of April. The night session was partly spent in Sunday school reminiscences, after which J. H. Engle gave an interesting talk.

Good Looks.

Good looks are more than skin deep, depending upon a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look, if your stomach be disordered you have a dyspeptic look, and if your kidneys be affected you have a pinched look. Secure good health and you will have good looks. Electric Bitters is the great alternative and tonic, acts directly on these vital organs. Cures pimples, blotches, boils and gives a good complexion. Sold at J. M. Gleissner's Drugstore, 50c per bottle.

HANKERS FOR HOME.

Ed. Little Writes Another Letter about Egypt.

The Enterprise Journal publishes another letter from E. C. Little to Postmaster G. R. Lamb of Enterprise which is interesting. It is as follows:

CAIRO, Egypt, March 18.—Good heavens! What a time I've had today. First, old Mr. Lettes, the Chicago dry goods millionaire, blew in to ship some goods and tell about his bank in Topeka. Then a busted American working man came in and borrowed \$1.00. My consular at Sobog up the Nile came 200 miles to see my "beautiful face" he said. He's an Egyptian and can't talk English, but he said it was evident I was "a grand man" and of excellent family and accustomed to all the luxuries. I thought of the days when I used to work on the Smoky bottoms at \$1.10 a day in the sun and overalls and said, "yes sir." Then a hotel man came in with another busted American fuller than a goat but high toned, didn't have a thing left but a fine diamond ring on which they had loaned him \$5, and he was about to lose. I locked the ring and the bill up, put him to bed until 4 p. m., gave him and the other busted American a square meal and sent him to a boarding house where he can room for one franc (twenty cents) a night. Got him sobered but I'll be dogged if I know what I'll do with him or the other. Had to pay the elaborate gentleman's carriage hire, \$2.50, I'm out \$3.50 to-day and been worried half to death. Besides I made some invoices, paid a bill for carriage hire of \$80 and one for electric bells of \$7.50. Things come high here. So the days run. Makes me wish to be back in Kansas. Chances are I'll be there soon.

The land on the delta from the train looks very like that between Enterprise and Abilene from the train. The people however live in mud houses. Farm hands get twenty cents a day and board or men in town get \$8 a month. Skilled labor does better and gets \$20 a month. The pyramids are simply big stone piles. I see nothing remarkable about them except that they must have been built by remarkable fools. The Sphinx is a little better. The old girl has lost her nose but is quite pretty. The finest institutions here are the American girls who come over to see the land. This town is full of gay tourists, all rich. I feel a little odd among so many millionaires. But I am an agent and consul general for I am about \$1,000,000 poorer than they. The big dinners by the Khedive and Pasha are quite "awful." Many can't talk English but one gets along O. K. The Greek consul general and I took German together and got along finely. Many do talk English. I told the Khedive I talked American not English, but Lord it gets tiresome at times and I'd like to be back in Kansas where the sunflower blooms. Saw a girl named Coe, from New Hampshire, whose brother used to be in Enterprise. Wish I were there.

The people here wear night gowns all day—fact—and little red caps of cloth sticking up like flower pots wrong side up, stiff and brimless. Keep a place for me at the table, I'm coming.

Your Friend,
E. C. LITTLE.

STELLAR COMFORTS.

Order of the Eastern Star Spends Pleasant Hours.

When the ladies undertake to entertain they always do the matter properly and the reception of Abilene Chapter No. 111, O. E. S., last evening was more than usually enjoyable. A special session of the lodge was held, after which the social part of the evening was participated in by the Abilene members, as well as the guests from Herington and Salina.

Partners for supper were chosen by unique card mottoes relating to the emblems and objects of the order. When the bounteous lunch had been enjoyed speechmaking was in order. The address of welcome was by Mrs. O. L. Moore. Mrs. Haskell responded on the part of Salina and Mrs. May E. Lapham for Herington. The toast, "Our Sisters," was replied to by A. M. Cray, while "Our Brothers" was the subject of Mrs. Roebuck of Salina.

Social enjoyment followed until a late hour, and all present were unanimous in declaring it one of the pleasant lodge evenings ever known in the city.

Those present from out of the city were: Mesdames Lapham, Henion, Anderson, Aument, Magee, Pratt, Knight, Zimmer, Miss Flo Henion, Mr. and Mrs. Cray, Mr. and Mrs. Neale, all of Herington; Mesdames Crowley, Roebuck, Haskell, Conrad, of Salina.

HAYES TWP., April 10.—Mr. and Mrs. J. S. Hoover are happy over the arrival of a girl. Mr. Hoover is contemplating a trip to Arizona in the near future.

Sad events of the past week were the funerals at Bethel church of Mrs. Ginder on Friday and Mrs. McCloud on Saturday. Both were largely attended.

Mrs. Norman was visiting with her sister, Mrs. Austin, the past week.

D. H. Brechbill has bought a fine span of horses, and by the way, Dave is making enough other improvements on his place to arouse the suspicions of the whole community.

Last Friday was a gala day at Walnut, it being the close of school. Most of the patrons came with baskets, and after a bountiful dinner a choice literary program was skillfully rendered. Miss Wick is one of our most progressive teachers.

J. G. Hollinger closed a successful seven months' term of school Saturday. In the afternoon most of the patrons were present and were entertained with interesting selections by the pupils.

It is well known that when the benefits of the goods it means business, but none of its bargains have equalled those reported by F. L. Hirsch, who returned from Chicago last evening. Mr. Hirsch was called to the city on a special purchasing trip to buy an invoice of dry goods, consisting of silks, etc. But the temptation was so strong that he could not refrain from adding to his list a splendid offering of lines, dress goods, hosiery and other articles too numerous to mention. When these goods arrive the fact of which will be duly advertised in this paper it will be a famous special sale.

In addition to this purchase Mr. Hirsch bought a large line of pants from Max & Haas of St. Louis, known as the "jackrabbit pants." These are equal to most lines of wool pants and will be sold at overall prices.

Mr. Hirsch brought home a trunkful of silks which are now being displayed at the store. The other goods will arrive next week. Watch for them.

Do not be deceived by such imposters, their representations are false. My goods are not handled by "peddlers," as we have local agents. TO THE EAST.

BEST DINING CAR SERVICE IN THE WORLD.

The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved pattern.

Faithful and capable management and polite, honest service from employees are important items. They are a double duty—to the Company and to travelers—and it is sometimes a task difficult of accomplishment. Passengers on this line will find little cause for complaint on that ground.

The importance of this Line can be better understood if a short lesson in geography be now recited.

What is the great Eastern terminus of the Rock Island Route?—Chicago. What other sub-Eastern terminus has it?—Peoria. To what important points does it run trains to the Northwest?—St. Paul and Minneapolis, Minnesota, and Watertown and Sioux Falls, Dakota. To what important Iowa and Nebraska points?—Des Moines, Davenport, Iowa; Omaha and Lincoln, Nebraska.

REMEMBER.

The Great Rock Island Route runs all regular trains to Englewood suburban station, close to World's Fair grounds, and you can save time and trouble by getting off at that point and avoid the crowd in the city.
